PRESIDENTS ELEMENTARY FAMILY NEWS

Thank You Veterans!

GRATITUDE

Choosing to notice and appreciate things in our life, things in others, and things in the world.

Hello Panther Families!

Our character trait focus for November is gratitude- choosing to notice and appreciate things in life, others and our world.

Gratitude is a choice that we get to make over and over again on how we see things and what we focus on. We can choose to feel grateful even for tough or challenging things in our life. Over the course of the month, we will talk about amazing people who demonstrate gratitude in various ways. We will talk about what we are grateful for in ourselves and in others. And we will even find Gratitude in some things we wouldn't expect to be thankful for!

Home Activity Idea: Create a Family Gratitude Jar

Choose an empty jar to decorate and then put words or sentences in that state what you are grateful for weekly or daily.

Thanks for sharing your kids with us!
